I hereby certify and affirm that all information given above is true and correct.

Signed _____ Date _____

GRAND ISLAND PLUMBING AND MECHANICAL FITTER EXAMINING BOARD

GENERAL RULES

1. Time required for an apprentice to be actively engaged in the trade under the supervision of a master, journeyman, or qualified shop will be a minimum of three years. Proof of qualifications will be submitted to the Board in writing for consideration and approval before being able to take the journeyman exam. Any academical time to be considered by the Board in place of actual apprenticeship time in the trade must be from a State accredited college or Technical School.
2. Applicants must hold a journeyman license for a minimum of four years before taking the Master Exam, and be actively engaged in the trade for the full four years.
3. The minimum age limit for a Journeyman Examination will be Twenty (20) years of age unless approved by the Board.
4. Request for Master and Journeyman examinations will be filed with the City of Grand Island Building Department Office prior to the examination date for the consideration of the Board. Examination fee will be paid with the application. No exam fee will be refunded after taking the examination.
5. All applicants will submit, along with their request for examination, letters of proof of the required apprenticeship time actively engaged in the trade.
6. In the event that an applicant fails to pass the examination given, he may make application to retake the exam after 85 days have passed.
7. At the discretion of the Board, experience gained at an industrial plant may be considered as apprenticeship time to qualify for a Journeyman Examination. Information considered by the Board shall include written proof of previous experience record and oral examination.
8. All examination papers are the property of the examining Board. Applicants will not be permitted to remain during grading or to review examination papers after they have been submitted for grading. Test results will be sent by mail.
9. Applicant must obtain a passing score on each part of the exam (written as well as drawing).
10. An applicant with a passing score will have a 30-day grace period to pick up a new license dated from the test date.
11. An applicant must supply his own copy of the current Code. The Grand Island Building Department will not supply copies to any one during the test. Photocopies, reference books, or any other reference materials will not be allowed in the testing area during the test.

I HAVE READ THE ABOVE GENERAL RULES AND AGREE TO ABIDE BY SAME
