IMPORTANT NOTICE – PLEASE READ CAREFULLY. Permits are granted on the express condition that the said installation shall, in all respects, conform to the Ordinances of the City of Grand Island, the International Fire Code and the Nebraska adopted NFPA (102) Code, and may be revoked at any time upon the violation of any of the provisions of said ordinances. **In addition to acquiring permission to erect a temporary tent/membrane through this permit when properly signed, a final inspection must be requested and conducted from this office prior to occupying the temporary “structure”.**

I hereby certify that I have read and examined this form and know the same to be true and correct. All provisions of laws and ordinances governing this work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any state or local law regulating tent and or membrane installations. I further certify that I am authorized to sign this form.
